### **PAMPLONA**

You will be pre-booked in a traditional hotel in the heart of Pamplona, a well-preserved, historic city in north-eastern Spain that dates from Roman times. Spend your afternoon visiting Pamplona's 12th Century neighbourhoods of San Nicolas and Cernin, and indulge in delicious pintxos (tapas) in one of the bars. Pamplona is also world-famous for its San Fermin festivities. Spaniards and tourists alike gather around the gated streets to watch a crazy few run with the bulls through the city streets to the main bullring.

Day

2

23 km

### **PAMPLONA -> PUENTE LA REINA**

When leaving Pamplona behind, you are also leaving behind the Atlantic area of Navarra. From here onwards, the landscape will be dominated by cereal crops, Holm oaks and Mediterranean brushwood. The Pamplona basin is left behind too when you cross the Alto del Perdon (Hill of Forgiveness), so-named because of the centuries old pilgrim tradition of travellers forgiving others, and asking forgiveness for themselves, with each step up the hill.

Day

3

21.5 km

### **PUENTE LA REINA -> ESTELLA**

As you leave Puente La Reina you will cross the 'Puente Románico', a six-arched Romanesque bridge over the Arga River. The Camino to Estella is very uneven and quite agricultural. Small towns and villages are dotted amongst cereal fields, vineyards and olive trees. This is one of the quieter sections of the Camino Frances.

Day

4

22.1 km

### **ESTELLA -> LOS ARCOS**

Today you go through the Rioja area of Navarra. Enjoy the pastoral scenes of olive trees, cereal fields and, most importantly, vineyards as you pass through. From Villamayor de Monjardin to Los Arcos, you will cover 12km without coming across a single village.

Day

5

28.1 km

### **LOS ARCOS -> LOGRONO**

Today we leave Navarra and journey into Rioja. Expect a pleasant hike into the undulating countryside. On this route you will pass the stunning ruins of Clavijo Castle. Finally, we come to the town of Logrono, strategically situated on the border between Alava and Navarra. If you would like to walk at a more relaxed pace, we can arrange to split this section into two days (17km on the first day, 10km on the second day), with a stop over in Viana. Here you will be staying at a charming 2-star hotel.

km

## LOGRONO

Logrono is a city rich in traditions that have been preserved since the Middle Ages. The pilgrim's route to Santiago de Compostela made this one of the most important towns on the Camino Frances. On this day you can visit a local winery for a winery tour and tasting! You will be spending an additional night here before we bid you farewell!
