This Camino explores the first section of the Camino de Invierno or Winter Way from Ponferrada to Monforte de Lemos.

The route begins in Ponferrada and finishes in Monforte de Lemos, traversing initially through the Birezo region of Leon you quickly cross into Galicia and the province of Ourense.

Everyday, during your Camino walk, you're guaranteed a high level of comfort and gastronomy. The Camino de Santiago is clearly marked with the scallop shell, showing you the way. This walk can be physically demanding and requires a reasonable level of fitness. However, it's a highly rewarding route that includes numerous cultural highlights and a tremendous feeling of achievement when you receive your Compostela, your Latin certificate of completion, at the Camino de Santiago Pilgrimage Certificate.
